Chans Son APOLOGIZES
JAYCEE CHAN, Jackies Jackies, son, apologized to the public on Saturday, after being released from jail, following an arrest in August for allowing others to take drugs in his residence.

NICOLE KIDMAN was named worst actress for her performance in Grace Of Monaco at Sundays BARFTRA Awards, which honour the most egregious works to hit cinemas over the past year. Each year, the British Academy for Rubbish Films and Terrible Acting commemorates the worst films and performances of the year, and according to the organizers, 2015 has proved a vintage year for terrible films, a website reported. The worst British film went to Padding The Dog: The Movie. Simon Peggs who starred in the frankly creepy Hector And The Search For Happiness, won worst actor. Anno was the worst US film award.
