WHAT'S ESSENTIAL TO EVERY MALAYALEE'S BREAKFAST?

ASK SANTAPPAN.

Santappan's been spending a lot of time observing Malayalees in their natural setting. He now knows that a Malayalee's breakfast is invariably accompanied by Kerala's most credible daily, Mathrubhumi – and that's also where his Christmas wish list comes from. Advertise there, and make sure your brand gets on every Malayalee's wish list.

But Santappan is going to do a little more research before he goes Christmas shopping in Kerala.

WHY DO MALAYALEES SPEND SO MUCH TIME READING?

ASK SANTAPPAN.

Santappan thinks magazines like Yathra, Arogya Masika and Grihalakshmi are more than just casual reading for Malayalees during the holidays – they're practically shopping instruction manuals, and a great place to advertise your brand.

But Santappan wants to read a little more before he makes his shopping list.
