Total = 100%

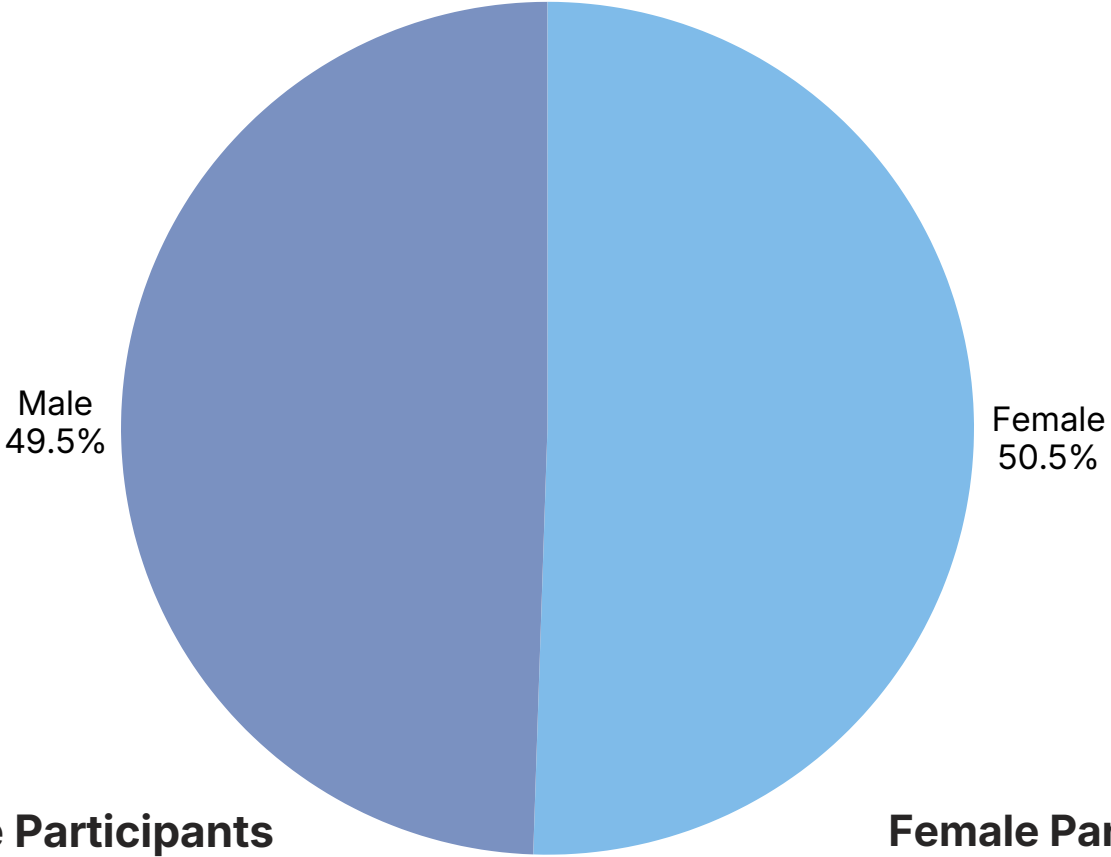

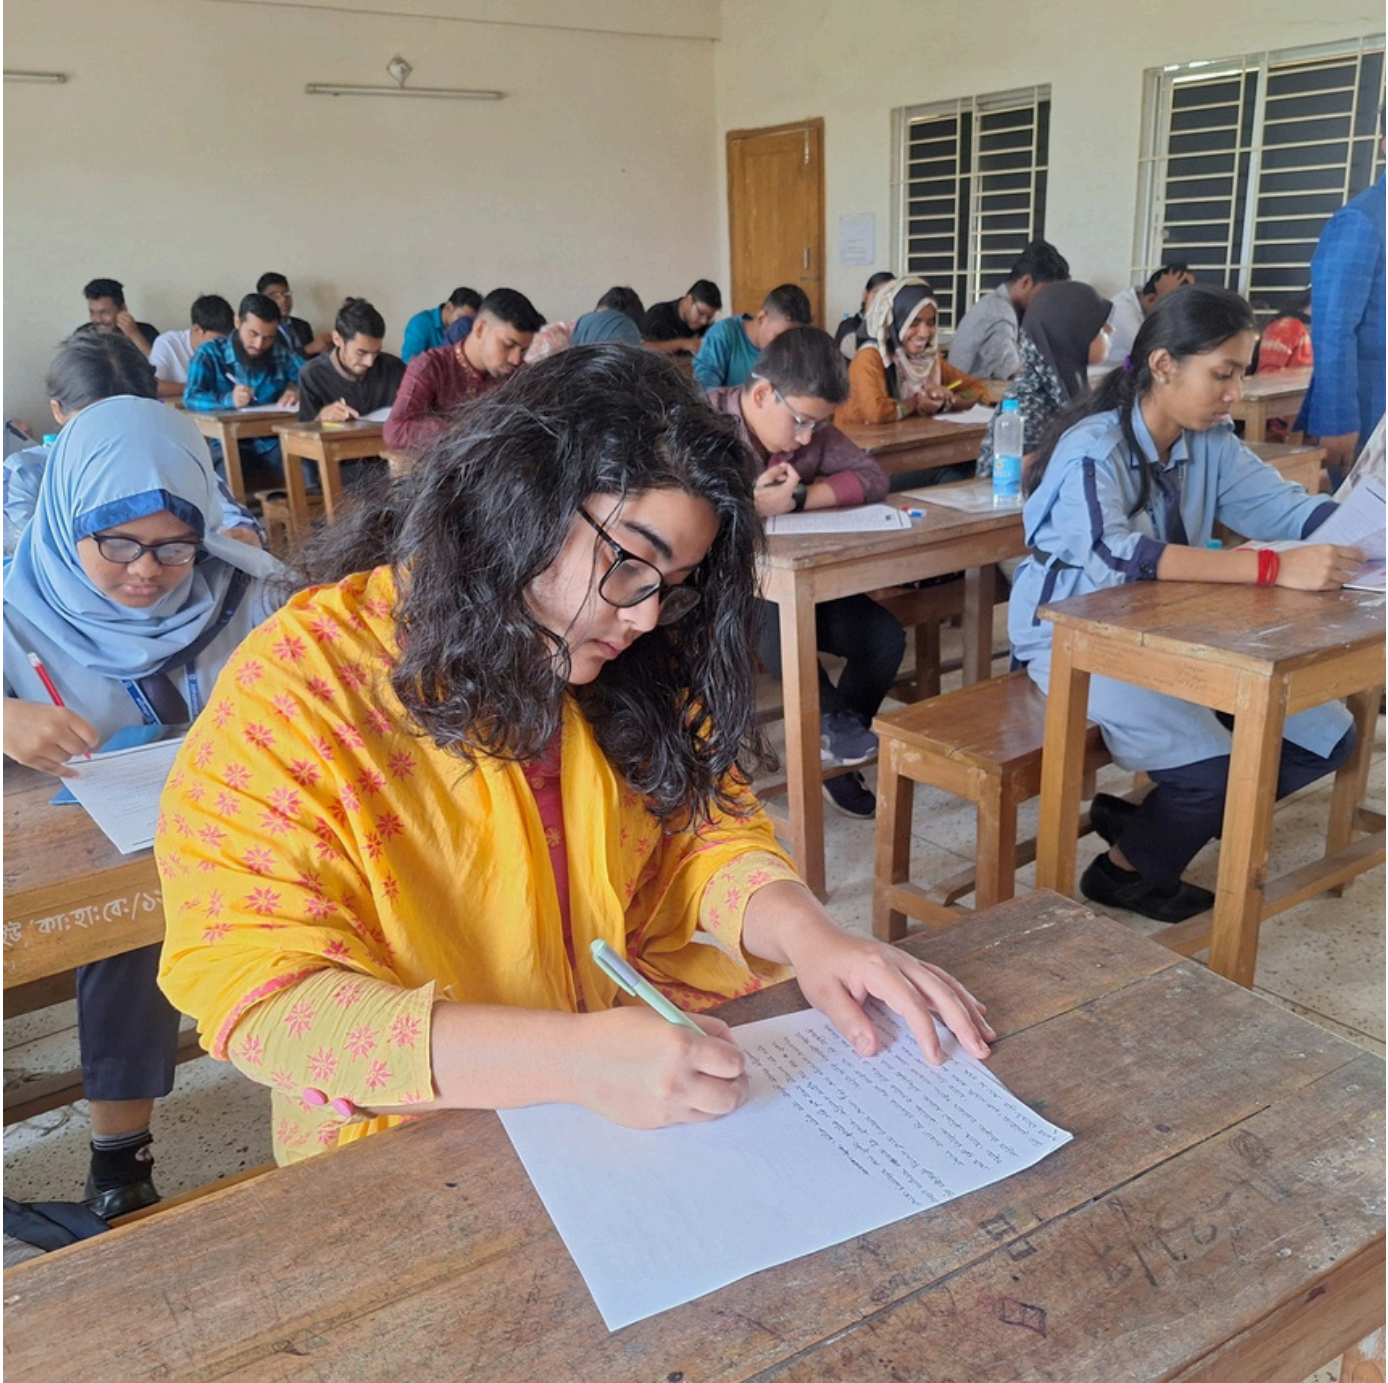

Expanding Reach: Nationwide Participation Across Divisions

Understanding the geographical distribution of participants highlights the widespread impact of the Newspaper Olympiad Season 4, showcasing its truly nationwide appeal and engagement.

Championing Inclusivity: Gender Ratio in Season 4

We are proud to highlight the commendable female participation in Newspaper Olympiad Season 4, demonstrating our commitment to promoting educational opportunities for all. The statistics reflect a positive trend towards greater gender balance in academic competitions.

Male Participants
Representing a significant portion of our engaged student base.

Female Participants
Leading the participation, showcasing strong female academic engagement and leadership.

The higher representation of female participants underscores the success of outreach efforts to encourage women in education and critical thinking. This is a testament to the program's ability to resonate with and empower young women across the nation.
