**THE WINDSOR STAR**

**SATURDAY, MAY 11th, 2013**

The Windsor Star's move to 300 Ouellette Avenue from 167 Ferry Street presents an exciting new chapter in our history. Our ever-evolving business will see us continue to provide high quality and relevant local, national and international content on a variety of platforms. And we will carry on our tradition of supporting area business from a state-of-the-art facility.

We have made providing quality service a guiding principle for our work here at the Windsor Star, and we believe the benchmark for our success is your success. Our relationship is not just a single aspect of our business, but its foundation. These vibrant, supportive relationships are what have helped transform

The Windsor Star from being not only a newspaper, but a powerful, community-driven news and multi-media agency.

... and it's at this time that we'd like to fully express our appreciation to you, our customers.

We proudly extend an invitation to you, our valued customers, to join us in this celebration as we open our doors to the community and a bright future together.

We proudly invite you to our new home.

*You are always welcome here.*
