Surviving Divorce for Women over 50

How to conquer the chaos created by a late in life divorce.

Learn a step by step relatable process to create a better life after divorce.

"Your willingness to share intimate experiences in order to move others to look at their own situations and give them hope to move forward is inspiring..."

".....it was perfect!" "..... gave me chills." "You have a powerful message to share...."

"I'm in the middle of this huge life change....this will help so much!"

What you will learn:

- Defining your overwhelm after divorce
- The simple details of each step of this process
- How to use your life experiences as tools for your own life remodel
