- Healing from Rightness, and perfectionism
- Self-Care and Self-Love as the basis for an empowered life
- Aligning personal power with nature
- Spiritual Travel
- Leading a spiritual, magical life daily

Daphneleah, the foremost expert on Rightness, shares her expertise and firsthand knowledge of healing from the compulsion to be right with others. She discovered that Rightness and happiness don't mix and love really is the most powerful healer. After experiencing Rightness herself she is now able to help others with their recovery. With over thirty-two years of practice in spirituality and wellness, she brings forth her love and knowledge as a teacher, Body Listener - Level II Reiki Practitioner, Intuitive, and Wellness Facilitator to all that she does. Her purpose is to be a conduit and inspiration of love and creativity.

Testimonials

"Congratulations in advance, for choosing a practitioner whose natural healing abilities are matched by her boundless compassion and unyielding desire to bring balance and beauty to all that she touches." -Regina Richardson, BA, MS, LMT, NCTMB

"Daphneleah is a gifted healing woman. I always feel a renewed freshness to my being following a treatment. It does my soul good!" -Caterina Nelli, mother of three, advocate for people with Autism, visionary

"Daphneleah has been teaching and guiding my daughter and me for many years and has been a great source of wisdom in our lives. She worked with me to develop the perfect ritual for my daughter's first moon and held the space with love and care during the ritual itself. Her presence is truly that of the divine and powerful feminine and she brings a great passion for her work into everything she does. She is a blessing in our lives." Holly Cunningham, Music Therapist, School Counselor
