

Marie Roker-Jones: Curiosity Architect

Speaker | Advisor | 2x Founder

Bio

Marie Roker-Jones helps women founders, entrepreneurs, and small business owners bring big ideas to life through strategic partnerships and inclusive community-building.

A **2x founder** and **military spouse** who has raised **\$2M** and built alliances with the **Nasdaq Entrepreneurial Foundation** and LVMH's **La Maison des Startups**, she also launched **SheLeadsAI** and leads Women in AI initiatives at [AI2030.org](#), where she champions equitable approaches to artificial intelligence.

Her 25K+ network grows by 10% each month thanks to her hands-on approach, which transforms curiosity into tangible collaborations.

If you're looking for real-world tactics to connect talent, resources, and innovation, Marie reveals the steps to make it happen.

Speaking Topics

The Connector Advantage: The Power of Strategic Relationships

How the right connections at the right time can turn good ideas into unstoppable momentum.

Community Growth Reimagined: Scaling Impact Without the Overwhelm

Beyond the numbers: How to build personal communities even at 25K+ members.

Curiosity-Driven Success: Turning Questions Into Capital

How curiosity fuels more innovative funding strategies, stronger investor pitches, and long-term growth.

Women in AI: Redefining the Future of Innovation

What SheLeadsAI and AI2030.org are proving: AI gets more innovative and more equitable when women lead.

\$2M+
