Emily Jackson

Womens Speaker & Coach
A+ Women

As a dedicated advocate for women in tech and business, Emily loves helping women as a career transition coach for those looking to switch or start a new career path. She is a passionate speaker on topics that effect professional women at every stage of their journeys.

BIO

Emily is a channel sales leader in the RFID technology industry. Her experience overcoming adversity, staying flexible & confident has allowed her to gain expertise in the art of pivoting & discovering your true passions both professionally and personally.

As a former collegiate National Champion athlete, fitness competitor, & self-proclaimed introvert, Emily knows what it takes to overcome imposter syndrome, find your purpose, make that career transition, & continue to succeed no matter what your path! Her engaging and informative speaking topics will leave you not only inspired, but with actionable ways to make your next move. As a coach, Emily will guide you to understand your true passions, determine your goals & motivations, & find your dream career!
