

Sally Murphy, M.Ed, ACC

Speaker | Educator | Coach

Sally Murphy is an experienced educator, certified coach, and highly rated speaker who has spent over a decade empowering individuals and organizations to break through barriers and step into their full potential. With a background as a teacher, instructional coach, and training and development manager at the University of Central Florida, Sally has trained and supported leaders across various educational, corporate, and community settings. Known for her authentic, down-to-earth style, she weaves strategy with heart and humor helping people challenge assumptions, deepen connection, and design systems that spark lasting growth. Whether leading workshops, keynotes, or coaching sessions, Sally brings energy, clarity, and practical tools that inspire transformation long after the event ends.
