Healthcare vs High Performing Leadership

	How do I recognize performance? Good or Bad	How do you set Goals?	If you are doing this currently, how do you support?	If you are not doing this, where do I start?
How to achieve consensus quickly				
Overcome cultural resistance to change				
Nurture high-performing teams				
Principles of lean management or high-reliability cultures				
Making tough, data-driven strategic choices in the face of powerful resistance, such as when and where to cut services in order to improve efficiency
