

## Warm-up Sequence:

In this warm-up students will get ready for a visual arts lesson.

### 1 STEP 1

Have students divide their papers into 30 rectangles by drawing a graph of 5 vertical lines and 6 horizontal lines.

### 2 STEP 2

Now have students spend spend 3 minutes (on the timer) trying to fill in as many rectangles as possible with different colors using colored pencils. Students

### 3 STEP 3

Try having students mix colors to create secondary and tertiary colors.

### 4 STEP 4

Try having students create different values of each color by pressing harder or softer on the pencil tip.

## Lesson Application

This warm-up looks at creating colors through a quick timed activity.

This would be a great warm-up before students dive into a lesson focusing on color in art.
