Viva Aerobus is Mexico's low-cost airline. It started operations in 2006 and today operates the youngest Latin American fleet with 25 Airbus A320, including two A320neo, in 93 routes to 40 destinations. With a clear vision to give all people the opportunity to fly, Viva Aerobus has democratized the airline industry with the lowest rates in México and the lowest costs in Latin America, making their flights the best value offer.
