### Maxcom Telecomunicaciones

Maxcom Telecomunicaciones, S.A.B. de C.V. (OTCQX: MXMTY, BMV: MAXCOM.CPO) ("Maxcom" or the "Company") announced today that, pursuant to its strategic plan, it has begun the process of divesting the public telephony business, reaching an agreement for the sale of the assets used to provide the service.

The agreement allows Maxcom to focus on the business lines that generate more value to the Company. Additionally, the sale of these assets will have a favorable marginal impact in the fourth quarter of 2015.

The divestiture of the public telephony business is subject to the submission of the relevant notices and regulatory approvals that may proceed.

With this action Maxcom will continue to focus on strengthening its position as a niche participant.

#### **About Maxcom**

Maxcom Telecomunicaciones, S.A.B. de C.V., headquartered in Mexico City, Mexico, is a facilities-based telecommunications provider using a "smart-build" approach to deliver "last-mile" connectivity to micro, small, and medium-sized businesses and residential customers in the Mexican territory.

Maxcom launched its commercial operations in May 1999 and is currently offering local, long distance, data transmission, value added services, pay TV, and IP-based services on a full basis in greater metropolitan Mexico City, Puebla, Querétaro, San Luis Potosí, Tehuacán and Toluca, and on a selected basis in several cities in Mexico. The information contained in this press release is the exclusive responsibility of Maxcom and has not been reviewed by the Mexican National Banking and Securities Commission (the "CNBV") or any other authority.

The trading of these securities by an investor will be made under such investor's own responsibility.
