

IMPORTANT UPDATES & ADDITIONS TO RE-ENTRY PLAN
PHASE 2

REMOTE INSTRUCTION

Remote Instruction will continue for all students until December 31, 2020 and we will now have more live/synchronous instruction for students. (Below is a sample Middle School Schedule and High School Schedule)

FAMILY SUPPORT CENTER

The Family Support Center will continue to run until December 31, 2020. Family Support Center is for grades 5-12 to support and takes place in our Middle School Facility 433 West 204th Street. Students are in PODS based on grade and follow all the Health and Safety Regulations outlined in our Re-entry plan.

Families that are interested in joining the waitlist for the family support center please contact the main office 646-665-5570. If a seat becomes available we will immediately notify you of the start date

FAMILY SUPPORT CENTER ATTENDANCE

The Family Support Center will be taken daily at the entrance to monitor the number of students in the building and for contact tracing. Attendance to the family support center does not equal attendance for remote learning.

REMOTE ATTENDANCE

All students are fully online during remote instruction. They will be required to log in to classes remotely five days a week (M, T, W, Th, F). Attendance will be taken daily during live/synchronous instructional zoom classes (this will be logged on ALMA).

Students will be considered absent if they miss two or more live/synchronous instructional zoom classes. **Attendance and support will be monitored to provide support/intervention for any student who has 3 or more unexcused absences. (please refer to re-entry plan pg 25 for intervention)**

SCHOOL CLOSURE

The Family Support Center/Facility will close if the positivity rates increase above 3% for seven days, we will follow the city policy for returning to remote work as well as continuing remote instruction.

If a POD has a confirmed case the entire POD will quarantine for 14 days and the school will work with the NYC DOH for contact tracing.

If a second POD has a confirmed case the entire facility will close and quarantine for 14 days and the school will work with the NYC DOH for contact tracing and reopening.

MEAL DISTRIBUTION

The school has meal distributions for our families that take place 3 times a week. Distributions take place Monday, Wednesday and Friday 1:30pm to 2:30pm. Please contact the office 646-665-5570 if you have any questions or to schedule a different pickup time.

PPE/SUPPLIES AND EQUIPMENT

The school will always maintain 6 to 8 weeks worth of PPE Supplies and equipment at each facility. As we monitor inventory we immediately place an order to replenish supply.
