IOWMCC Members (only) Entry Conditions

All Isle of Wight MCC (Adult) Members are required to name a helper, who will be available for one of the two trial days. This measure is being introduced to ensure we have enough people to staff the trial properly across the weekend, particularly to guarantee we have enough Observers.

Please make sure you clearly write the name and contact phone No of your named helper and which day they are available - on the back of your entry form. If there is no name you will be subject to the following!

For Club Members that are unable to provide a helper, they will be entered into a draw. 12 names will be pulled out for Saturday and another 12 for Sunday – if we are short of observers then these riders will be expected to forfeit their ride for that day.

For example, if we are 3 observers short on Saturday then the first 3 riders from the Saturday draw will be given a section to observe.

Members will only be entered into one draw (Saturday or Sunday).

The draw will take place, asap, after the entry has closed and riders drawn will be notified on or before Monday 22nd April.

A 50% refund of the entry fee will be made to any rider that is required to forfeit under this scheme.

IOWMCC Youth riders and Course Setters are not subject to this condition.
