

Two Day Trial 2025 – a message from our organising team

The Isle of Wight Two Day Trial will be held on 13th and 14th September. For us as the organisers, it comes round with alarming speed and the work to produce this event started some time ago.

The huge effort to stage this trial in 2023, saw a disappointing number of retirements on the second day after the first lap, before the course became “run in” and it was agreed that it had been too ambitious. We learned from this.

The huge effort to stage this event in 2024 was effectively ruined by an enormous thunderstorm on Sunday with two inches of rain falling in about two hours. To the best of my recollection this was the only storm we had in 2024 and thus far we haven’t had one this year. But we can’t control the weather.

The club is determined that the trial this year will be as rider friendly as possible.

We acknowledge that each day is a round of the Southern Centre Championship but we also know that the majority of our competitors are coming to the Island for a fun ride and something they can get through and go home in one piece having enjoyed themselves.

The championship contenders will know that a careless mistake could cost them dearly, so keep your feet up!!

Good luck all and we look forward to seeing you in September.
