

Winter Series Championship 2014

This first page shows all the riders that qualified for an award - Congratulations to all of you.
Riders had to complete a minimum of seven trials (in the same class) with their best eight scores to count.

The remaining pages show every rider that competed in the Winter Series, even if it was for just one trial and regardless if they finished or not.
Riders that took part in more than one class are also shown.

The final two pages are the results for the 2014 Summer Series. These have already been published earlier in the year, so just as a reminder.
