

DEPARTMENT OF BIOLOGY  
STARCHER HALL  
10 CORNELL STREET STOP 9019  
GRAND FORKS, ND 58202-9019

**Position:** 3 Grassland Bird Field Technicians and 1 Crew Leader

**Organizations:** University of North Dakota in collaboration with The Nature Conservancy and Ducks Unlimited

**Location:** Central North Dakota

**Job Description:** We are seeking highly motivated grassland bird technicians and a crew leader to conduct surveys for grassland bird nests in central North Dakota as part of a large grazing study. Primary duties will include nest searching, vegetation sampling, data entry and proofing, and working with landowners to facilitate data collection. The Crew Leader will be responsible for organizing and leading daily field schedules. Technicians will start May 18 and continue until August 15.

After an initial training period, the crews will work independently to conduct the field work. Applicants should have good organizational and communication skills, enthusiasm for working outdoors in some tough weather conditions and a valid driver's license. The crew leader should have strong communication and team building skills. Experience locating songbird, grouse, and duck nests and identifying birds by sight and sound is desirable.

**Compensation:** \$13 - \$15 hour depending on qualifications/position. Housing and a vehicle for fieldwork is provided.

**How to Apply:** Please send a single PDF that includes a cover letter, resume or CV, and contact information for 3 references to Dr. Susan Felege ([susan.felege@email.und.edu](mailto:susan.felege@email.und.edu)) with the subject line "Grassland Bird Study Techs". Deadline to apply is March 15<sup>th</sup>, although we will begin screening for applicants immediately and continue until the positions are filled.
