The Michigan Medical Marijuana Association

(MichiganMedicalMarijuana.org)

GENERAL INFORMATION...

- Since its inception and launch in 2008 the MMMA's (MichiganMedicalMarijuana.org) vision has been to create a website and member driven association to educate and inform patients and caregivers in the State of Michigan. Legal updates, analysis of the issues facing the community, news and immediate access to a Law Firm that specializes in medical marijuana cases are just some of the benefits.
- MMMA has a dedicated following of over 30,000 registered members and thousands of new unregistered visitors seeking information on the topic of medical marijuana. Visitors and members to our website more than likely have many associates and friends with the same interests. There are tens of thousands of potential loyal customers out there and more on the horizon.
- The site is very target oriented and draws people of like minded interests. Our guests and members alike are local Michiganders and are very loyal to businesses who promote, sponsor or advertise in these areas of interest to them.
- Our website also links to other sites which gives you more opportunities for reaching more people through several different avenues.

Michael Komorn Fights Against Asset Forfeiture in Michigan
By Michael Komorn in *Stories From the Theater of the War on Drugs*

Michael Komorn has worked tirelessly for his clients at Komorn Law PLLC to return property seized and forfeited to the police. The items and property seized often has absolutely no medical marijuana (or any crime at all) connection whatsoever. Just looking at the list of things seized, none of it makes sense. 4 wheeler? Gas generator? 401k retirement account? Cars purchased 20 years ago and restored. Ladders, children's birthday money taken out of their Hallmark birthday cards, iphones, ipads, computers, cash, gold rings, guns. The police will take anything of value that they can in any medical marijuana case.

As an expert in civil asset forfeiture, Michael Komorn and Komorn Law PLLC attorney Jeff Frazier educate other lawyers on the steps and pitfalls of forfeiture cases on ICLE.

Michael Komorn and Jeff Frazier discuss with Rachael Sedlacek about the procedural requirements in a civil asset forfeiture case. Criminal defense can...
