

Notice of Application For No-Discharge Permit 3778-WR-10

Under the provisions of Act 163 of the 1993 Arkansas Legislature, this is to give notice that the Arkansas Department of Energy and Environment (E&E) - Division of Environmental Quality (DEQ) Office of Water Quality has received an application on June 30, 2025, with additional information submitted through September 11, 2026, for a no-discharge permit, Permit No. 3778-WR-10, for land application of wastewater and sludge generated from the processing and conversion of poultry byproducts into poultry meal and fat, blow-down boilers, by-pass condensate boilers, wash down of plant processing equipment, and spent air scrubber liquids. The permit application was submitted from the following applicant:

Pet Solutions Holdings, LLC
10511 Gauge Rd.
Danville, AR 72833

The facility sites are located as follows: Section 11 Township 5 North Range 21 West, near the city of Danville in Yell County, Arkansas. Interested persons desiring to request a public hearing on the application may do so in writing. All requests should be received by DEQ within ten (10) days of the date of this notice and should be submitted to:

Tahir Haneef

Division of Environmental Quality,
Office of Water Quality
