## TIPS FOR BEING A SUCCESSFUL SMALL GROUP LEADER

1. **PRAY DAILY** for your group members. Tell them you are praying for them, and encourage them to pray for each other.
2. **IDENTIFY** potential in a future small group leader. This may be the most fulfilling accomplishment of leadership, helping someone find his/her purpose in God.
3. **SPEND TIME** individually with group members between meetings.
4. **FOSTER COMMUNICATION** within the group. Have your group members exchange contact information and encourage them to build relationships outside of the group.
5. **ENGAGE** in a service project or outreach during the semester.
6. **RALLY** the group around a member going through crisis. Use wisdom and be sensitive!

### Your Co-Leader

A Co-Leader for small groups is optional. A Co-Leader's role is the same as the Leader in caring and praying for small group members. A Leader and Co-Leader are paired with the same coach.
