### **IMPORTANT RECALL INFORMATION**

Dear <<First Name>> <<Last Name>>,

We are sending you information about Nizatidine Oral Solution 15 mg/mL that may be valuable to you.

On April 15, 2020, the United States Food and Drug Administration (FDA) issued a notice regarding a recall of Nizatidine Oral Solution 15 mg/mL manufactured by Amneal Pharmaceuticals. **This recall was issued because an unexpected impurity was found in the active ingredient used in these products that could be a health hazard or safety risk to plan members who may be using product affected by this recall.**

Our records show you may have received a prescription for this medicine recently from your retail pharmacy.

If you received a prescription for this product, please contact the pharmacy that filled your prescription. They will provide more information regarding this recall including return instructions. .

**Please call your doctor right away for advice if you may be using affected product or if you do not know if you used affected product.** Your doctor is familiar with your medical history and can suggest the best treatment option for you. A list of recalled products is provided at the end of this document.

Amneal has advised that consumers who have Nizatidine Oral Solution which is being recalled should stop using the product and can call Inmar toll-free at 1-855-319-4807, Monday through Friday, 8:00 am to 5:00 pm (ET) for further information. Consumers should contact their physician or healthcare provider if they have experienced any problems that may be related to the use of this drug product. If you need a prescription for a different medicine, please contact your doctor.

For more information, please call Amneal Drug Safety toll-free at 1-877-835-5472, Monday through Friday, 8:00 am to 6:00 pm (ET) or visit [www.amneal.com](http://www.amneal.com). You may also call the United States Food and Drug Administration (FDA) consumer inquiry line toll-free at 1-888-INFO-FDA (1-888-463-6332) or visit [www.fda.gov](http://www.fda.gov).
