IMPORTANT RECALL INFORMATION

Dear <<First Name>> <<Last Name>>,

We are sending you information about NP Thyroid® tablets that may be valuable to you.

On April 29, 2021, Acella Pharmaceuticals, LLC issued a recall of NP Thyroid® tablets. **This recall was issued because the tablets may contain less medicine than they should. This may represent a potential health hazard or safety risk to plan members using product affected by this recall.**

Our records show you may have received a prescription for the following medicine recently from your retail pharmacy:

[Drug Name]

A complete list of the affected products is provided at the end of this letter.

Acella advises that patients who are currently taking recalled NP Thyroid® should not discontinue use without contacting their healthcare provider for further guidance and/or a replacement prescription. Please call your doctor right away for advice if you might be using affected product. Your doctor knows your medical history and can tell you what to do next. If you need a prescription for a different product, please contact your doctor.

For more information, please call Acella Pharmaceuticals, LLC at 470-550-1551, Monday through Thursday, 9:00 AM to 5:00 PM (EST) or Friday, 9:00 AM to 12:30 PM (EST). You may also call the U.S. Food and Drug Administration toll-free at 1-888-INFO-FDA (1-888-463-6332) or visit www.fda.gov.
