IMPORTANT RECALL INFORMATION

Dear <<First Name>> <<Last Name>>,

We are sending you information about multiple products that may be valuable to you.

On April 25, 2022, Glenmark Pharmaceuticals Inc. issued recalls for multiple products. **These recalls were issued due to gaps in the manufacturer's laboratory facility's quality controls and processes, and to lack of stability data.**

This could be a health hazard or safety risk to plan members who may be using product affected by this recall.

Our records show you may have received a prescription for (a) prescription(s) for the following product(s) recently from your retail pharmacy:

[Drug Name(s)]

A list of the affected products and lot numbers is provided at the end of this letter.

If you received your product in a manufacturer's bottle, please check the lot number. The lot number is located next to the barcode on the manufacturers label. If your product is not from one of these affected lot numbers, it is not affected by this recall. If your product is from one of these affected lot numbers, please contact the pharmacy that filled your prescription for further instructions.

Glenmark has advised that consumers using affected product should contact their healthcare provider and discontinue use. Please call your health care professional right away for advice if you may be using affected product or if you do not know if you used affected drug. Your doctor is familiar with your medical history and can suggest the best treatment option for you.

If you have questions about this recall, please call call Glenmark toll-free at 1-888-721-7115, 9:00 AM to 6:00 PM (EST) or email at GlobalCustomerService@glenmarkpharma.com. You may also call the U. S. Food and Drug Administration toll-free at 1 888 INFO-FDA (1 888-463-6332) or visit www.fda.gov.
