### **RECALL NOTICE**

Dear <<First Name>> <<Last Name>>,

Our records show that you may have recently filled a prescription for Desmopressin Acetate 0.2mg Tablets from Avet Pharmaceuticals, Inc. at your retail pharmacy. We are writing to inform you of a limited recall for one lot number of this product.

On November 29, 2022, the United States Food and Drug Administration (FDA) classified this recall of Desmopressin Acetate 0.2mg Tablets from Avet Pharmaceuticals, Inc. as a Class II recall. According to the distributor, this recall was issued due to failure in potency of the product during 3 months of controlled room temperature stability study. **The distributor issued this recall on November 23, 2022 to wholesalers only, and on December 1, 2022 expanded it to pharmacies only, and is not requiring action on the part of consumers in connection with this recall.**
