RECALL NOTICE

Dear <<First Name>> <<Last Name>>,

Our records show that you may have recently filled a prescription for Metoprolol Succinate Extended-Release Tablets from Ascend Laboratories, LLC at your pharmacy. We are writing to inform you of a limited recall for certain lot numbers of this product.

On January 20, 2023, the United States Food and Drug Administration (FDA) classified this recall of 25mg and 50mg Metoprolol Succinate Extended-Release Tablets from Ascend Laboratories, LLC as a Class II recall. According to the distributor, this recall was issued as a precautionary measure due to observed out of specification in dissolution test analysis. **The distributor issued this recall on January 5, 2023 to wholesalers and pharmacies only and is not requiring action on the part of consumers in connection with this recall.**
