RECALL NOTICE

Dear <<First Name>> <<Last Name>>,

Our records show that you may have recently filled a prescription for Allopurinol 100mg Tablets from Accord Healthcare, Inc. at your pharmacy. We are writing to inform you of a limited recall for certain lot numbers of this product.

On January 20, 2023, the United States Food and Drug Administration (FDA) classified this recall of Allopurinol 100mg Tablets from Accord Healthcare, Inc. as a Class II recall. According to the distributor, this recall was issued because of a product quality complaint where a pharmacist reported discovering an issue with one of the tablets that was in a sealed and intact 100-count bottle of Allopurinol Tablets USP 100 mg. One of the tablets was reported to have a small piece of green plastic embedded in the crack towards the edge of the tablet. **The distributor issued this recall on January 12, 2023 to wholesalers and pharmacies only and is not requiring action on the part of consumers in connection with this recall.**
