### **IMPORTANT RECALL INFORMATION**

Dear <<First Name>> <<Last Name>>,

On January 19, 2023, Nationwide Pharmaceuticals LLC issued a recall of Ferrous Sulfate 324 mg Tablets. **This recall was issued because of lack of child safety caps on product containers. Overconsumption of Ferrous Sulfate can result in serious injury or death, especially in children.**

Our records show you may have recently filled a prescription for this product from your retail pharmacy.

#### **This recall affects:**

<b>Product:</b> Ferrous Sulfate 324 mg Tablets <b>NDC:</b> 69375-0003-10 <b>Lot Number:</b> M0818, M0817, M0816 & M0786
---

To see if your product was recalled, check the lot number. The lot number can be found on the manufacturer label, to the left of the bar code.

- If your product has a different lot number, it isn't affected by this recall.
- If your product matches the affected lot numbers, it was recalled. Contact the pharmacy that filled your prescription for your next steps.
- If your product was filled in a pharmacy bottle, contact the pharmacy that filled your prescription for your next steps.

**Call your doctor right away if you may be using the recalled product or if you are unsure.** Your doctor knows your medical history best. They can suggest the best treatment for you. Your doctor can write you a new prescription if you need a different product.
