Understanding the Benefits

☐

The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit iuhealthplans.org or call 800.455.9776 (TTY/TDD 711) to view a copy of the EOC.

☐

Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.

☐

Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

☐

Review the formulary to make sure your drugs are covered.

Understanding Important Rules

☐

You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month. As a member of IU Health Plans Medicare \$0 Preferred (HMO) you receive a \$100 buy down or reduction of your Part B premium.

☐

Benefits, premiums and/or copayments/co-insurance may change on January 1, 2024.

☐

Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).

Who can join?

To join **IU Health Plans Medicare \$0 Preferred (HMO)**, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and live in our service area. Our service area includes the following counties in Indiana: Blackford, Brown, Carroll, Delaware, Greene, Jay, Lawrence, Orange, Owen, Tipton, Vigo, White.

Which doctors, hospitals, and pharmacies can I use?

IU Health Plans Medicare \$0 Preferred (HMO) has a network of doctors, hospitals, pharmacies, and other providers. For some services you can use providers that are not in our network.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

You can see our plan's *Provider/Pharmacy Directory* at our website, iuhealthplans.org.

Or, call us and we will send you a copy of the *Provider/Pharmacy Directory*.

What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers - and *more*.

- **Our plan members get *all* of the benefits covered by Original Medicare.** For some of these benefits, you may pay *more* in our plan than you would in Original Medicare. For others, you may pay *less*.
- **Our plan members also get *more* than what is covered by Original Medicare.** Some of the extra benefits are outlined in this booklet.

We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider.

- You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, iuhealthplans.org.
- Or, contact us and we will send you a copy of the formulary.

How will I determine my drug costs?

Our plan groups each medication into one of six "tiers." You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier, what stage of the benefit you have reached, and whether you use a pharmacy with standard or preferred cost sharing.

Some of our network pharmacies provide preferred cost sharing, which may be lower than the cost sharing at a pharmacy that offers standard cost sharing. The *Provider/Pharmacy Directory* will tell you which of the network pharmacies offer preferred cost sharing.

Later in this document we discuss the benefit stages that occur: Deductible, Initial Coverage, Coverage Gap, and Catastrophic Coverage.
