Schedule of Benefits

This Schedule of Benefits is a summary of the Subscriber's Benefits and Cost Sharing provided under the Group Contract. The definitions, i.e., Coinsurance, Copayment, Deductible, Out-of-Pocket Maximum, stated in the Subscriber's Evidence of Coverage (EOC) apply to this Schedule of Benefits. Tier 1 and Tier 2 benefits apply when Covered Services are provided by Participating Providers, except as indicated under the "Cost Sharing and Limitations" provision in this Schedule of Benefits.

Services provided by Non-Participating Providers are Non-Covered Services unless specifically covered under the Group Contract. The Enrollee is responsible for all expenses for Non-Covered Services.

Plan Year: 01/01/2023 through 12/31/2023

Cost Sharing and Limitations: Cost Sharing is the Copayment and Coinsurance that the Enrollee must pay for Covered Services. Some Covered Services are subject to limitations. Health Care Services received from Non-Participating Providers are Non-Covered Services unless the Evidence of Coverage specifically provides otherwise. See Article 6 Section D. of the Evidence of Coverage for additional information on when Health Care Services received from Non-Participating Providers may be Covered Services. If Health Care Services received from Non-Participating Providers are determined to be Covered Services, the services are subject to the same Deductibles, Copayments, Coinsurance and limitations as Covered Services received from Participating Providers.

Refer to the Evidence of Coverage for more detailed benefit information.
