Section 1 - Introduction

This directory provides a list of IU Health Plans' network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

Select - Medical Only (HMO), Select Plus (HMO), \$0 Preferred (HMO) and Kidney Care (HMO) Members will have to choose one of our network providers listed in this directory to be your Primary Care Provider (PCP). Generally, you must get your health care services from your PCP. All providers who can be selected as a PCP are in the Primary Care Provider section of the directory.

The network providers listed in this directory have agreed to provide you with your health care/vision/dental services. You may go to any of our network providers listed in this directory however, some services may require authorization. You will find information in your Evidence of Coverage. Other providers are available in our network.

For Choice (HMO-POS) & Flex Network (HMO-POS) Members, Point of Service (POS) Out of Network Care is available. With the exception of emergencies and urgent care, it will cost more to get care from out-of-network providers. Choice (HMO-POS) & Flex Network (HMO-POS) Members should review their Evidence of Coverage for the benefit information.

For Select Plus (HMO) Segments 1 & 2 only and Kidney Care (HMO) Members, if you select an IU Health PCP there is a \$0 Copay for office visits. You will see them identified as Tier One with a "T" by their listing.

For Kidney Care (HMO) Members, to be eligible for SSBCI benefits, you must be under the care of an IU Health Physicians Nephrologist and meet other program criteria. IU Health Physicians Nephrologists can be identified with a "K" by their listing.

In cases where out-of-network providers submit a bill directly to you, you should not pay the bill but should submit it to the plan for processing and determination of your liability, if any.

Emergency care can always be obtained in or out of the service area from the nearest available provider. When in the service area you should try to obtain urgent care from network providers. When out of the service area urgent care may be obtained from the first available provider. In addition, when out of the service area you can obtain dialysis treatment from any qualified dialysis provider.

Select - Medical Only (HMO), Select Plus (HMO), \$0 Preferred (HMO) and Kidney Care (HMO) Members must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis. If you obtain routine care from out-of-network providers, neither Medicare nor IU Health Plans will be responsible for the costs.

Indiana University Health Plans 2024 Pharmacy Directory

This pharmacy directory was updated 11.01.2024. For more recent information or other questions, please contact Indiana University Health Plans at 844.432.0695 or, for TTY users, 711, Oct. 1 to March 31 - 8 am to 8 pm, seven days a week; April 1 to Sept. 30 - 8 am to 8 pm, Monday - Friday, or visit iuhealthplans.org.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at iuhealthplans.org. You may also call Member Service at 844.432.0695 (TTY/TDD users should call 711) for updated information.

Introduction

This booklet provides a list of IU Health Plans' network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and IU Health Plans' formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under IU Health Plans only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 11.01.2024. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost sharing. We have marked these pharmacies with a “P” to distinguish them from other pharmacies in our network that offer standard cost sharing.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact IU Health Plans.

**CVS Caremark
PO Box 659541
San Antonio, TX 78265-9541**

You can get prescription drugs shipped to your home through our network mail order delivery program.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 10 calendar days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by calling 844-432-0695.

Typically, you should expect to receive your prescription drugs 10 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at 844.432.0695 and TTY/TDD Users should call Indiana Relay Health 1-800-743-3333.
