Section 1 – Introduction

This directory provides a list of Indiana University Health Plans' network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC)

Select - Medical Only (HMO), Select Plus (HMO), \$0 Preferred (HMO) and Kidney Care (HMO) Members will have to choose one of our network providers listed in this directory to be your Primary Care Provider (PCP). Generally, you must get your health care services from your PCP. All providers who can be selected as a PCP are in the Primary Care Provider section of the directory.

The network providers listed in this directory have agreed to provide you with your health care/vision/dental services. You may go to any of our network providers listed in this directory however, some services may require authorization. You will find information in your Evidence of Coverage. Other providers are available in our network.

For Choice (HMO-POS) & Flex Network (HMO-POS) Members, Point of Service (POS) Out of Network Care is available. With the exception of emergencies and urgent care, it will cost more to get care from out-of-network providers. Choice (HMO-POS) & Flex Network (HMO-POS) Members should review their Evidence of Coverage for the benefit information.

For Select Plus (HMO) Segments 1 & 2 only, Choice, and Kidney Care (HMO) Members, if you select an IU Health PCP there is a \$0 Copay for office visits. You will see them identified as Tier One with a "T" by their listing.

For Kidney Care (HMO) Members, to be eligible for SSBCI benefits, you must be under the care of an IU Health Physicians Kidney Health Nephrologist and meet other program criteria. IU Health Physicians Kidney Health Nephrologists can be identified with a "K" by their listing.

In cases where out-of-network providers submit a bill directly to you, you should not pay the bill but should submit it to the plan for processing and determination of your liability, if any.

Emergency care can always be obtained in or out of the service area from the nearest available provider. When in the service area you should try to obtain urgent care from network providers. When out of the service area urgent care may be obtained from the first available provider. In addition, when out of the service area you can obtain dialysis treatment from any qualified dialysis provider.

Select - Medical Only (HMO), Select Plus (HMO), \$0 Preferred (HMO) and Kidney Care (HMO) Members must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis. If you obtain routine care from out-of-network providers, neither Medicare nor IU Health Plans will be responsible for the costs.

Indiana University Health Plans 2025 Pharmacy Directory

This pharmacy directory was updated on 10.01.2025. For more recent information or other questions, please contact IU Health Plans at 844.432.0695 or, for TTY users, 711, Oct. 1 to March 31 – 8 am to 8 pm, seven days a week; April 1 to Sept. 30 – 8 am to 8 pm, Monday – Friday, or visit iuhealthplans.org.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at iuhealthplans.org. You may also call Member Service at 844.432.0695 (TTY/TDD users should call 711) for updated information.

Introduction:

This booklet provides a list of IU Health Plans' network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and IU Health Plans' formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to plan enrollees. In most cases, your prescriptions are covered under IU Health Plans only if they are filled at a network pharmacy [or through our mail order pharmacy service]. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 10.01.2025. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact IU Health Plans.
