Thank you. fyi, its a very major concern for residents of this area Hope Presbyterian changed into a Way place. Actually frightening. Hope has always been a wonderful neighbor, I have watched area slip downward. Past year, it has begun to recover. Children riding bikes, walking to school, that would not be possible, if Hope is converted into this shelter. I have always been a believer of helping others. A Shelter in residential area, is not answer. I hope town planning looking into a site, maybe area near Police Department site. This would give good access, area is zoned for business. I am 80 and deaf, but a long time loyal resident, feel I can be a sounding board. Thanks for replying.

Mary,

Thank you for reaching out to the Town regarding how can be stay advised of public hearings. All current and upcoming projects are available on the Town's website at the following link:

<https://www.townofplainfield.com/1554/Plan-Commission-Projects>

At this point in time, we do not have a completed application for the Hope Presbyterian site, so no information is available yet. Plan Commission meetings are streamed online so if there is a public hearing you will be able to watch online if desired. We will also accept feedback / comments via e-mail, but only once a petition has officially been submitted.

I hope this helps. Please let me know if you have any questions.
