**Subject:** Advice Family Promise--Hope Presbyterian Church destruction

**EXTERNAL MESSAGE - USE CAUTION OPENING LINKS & ATTACHMENTS**

As long time Plainfield citizen, I am coming to you for advice. I have now seen, who Family Promise has hired, for the destruction of this area. We are a group of volunteers, I am disabled am limited how I can help. Please take a walk through this area, morning and evenings, you will see walkers, etc. We had some issues. DPW worked with us, in improving drainage. I don't want to tell DPW we will become an unsafe place to reside. You will have to tell **Jeff** what you have done..You allow this to happen, I probably won't be alive, but you're probably going to need to buy a house for the Police met place.
