RE: Opposition to Family Promise Resource and Cultural Center PUD (PUD-22-081 & FDP-22-081) & Zone Map Change; Plan Commission Public Meeting November 21, 2022

Plan Commission:

Please post the attached documentation for the opposition of PUD-22-081 and FDP-22-081. The attached documentation from the Town of Plainfield Police Department and the Hendricks County Communications Center (all documentation is as sent directly from the Police Department and the Hendricks County Communications Center without removal of any data).

Again, these documents were obtained from the Town of Plainfield, Indiana Police Department and the Hendricks County Communications Center and have not been modified (i.e., added personal descriptions/comments, data removed, personal analysis/pivots). The Town of Plainfield, Indiana Police has included analysis and pivots, but I have not added nor modified this analysis nor pivots.

Please post all of these public documents as I am unable to post these documents directly myself on the town website.

Kind regards,

Buffy Heckler
