Questions or Comments for the Town of Plainfield	<p>We are writing this letter in support of Family Promise of Hendricks County (FP) and their petition to rezone the Hope property in Plainfield.</p> <p>Danville Christian Church (Disciples of Christ) has worked with Family Promise since Family Promise began in Hendricks County. Our members have been very supportive of this mission. At a quick count, at least sixty (60) of our members have directly participated in Family Promise projects by serving as overnight hosts, preparing and/or serving meals, delivering meals, providing food, and other services.</p> <p>Matthew 25 says that Jesus said: "I was hungry, and you gave me food. I was thirsty, and you gave my something to drink. I was alone and away from home, and you invited me into your house. I was without clothes, and you gave me something to wear...." And when asked, when did we do these things? Jesus answered: "I tell you the truth, anything you did for even the least of my people here, you also did for me." As a body of followers of Christ, we feel that Family Promise offers us an exceptional way to live out this calling, and to do so in the most effective and efficient manner possible.</p>

We have seen Family Promise grow and expand its ministry in our County. We are in full support of all that Family Promise does and all it offers to those who seek its services. We sincerely hope that the Town of Plainfield will support the rezoning efforts for the Family Promise Hope Resource Center. Though we are sad that a church has closed, we join them in supporting the continuation of its ministry through Family Promise.

Sincerely,

Kay Grove, Chairperson for the Board of Danville Christian Church (Disciples of Christ)
