Questions or Comments for the Town of Plainfield	<p>I am writing to express my support for the rezoning as a resident of the Hope Presbyterian neighborhood. I own my home on Kentucky Ave and Hope Presbyterian is what I consider to be in my backyard. My family has used its basketball courts and playground frequently in the 7 years we've lived in this neighborhood. We take our dogs on walks through their grounds. We regularly donate to their Little Free Library and hygiene pantry and even though we never attended their services, we have been proud to live near a church who provided so much to its neighbors. If Family Promise moves into this space, they will only continue the work that Hope Pres. started. I believe that they will continue to serve our neighborhood and reach people who need the most help. As so many have said, we pride ourselves on being "A Community of Values" and we have the opportunity now to put those values into practice. If Family Promise moves into the old Hope Pres. Church, I will be proud to live in a community and neighborhood who follows through on its slogan. Please extend my support as a neighborhood homeowner to this project.</p>

Thank you,  
Jessica Neeb-Smith
