#### **F. ZONING OF NEWLY ANNEXED LAND.**

1. Excepting approval of Conditional Zoning as detailed in subsection 2 below, all real property annexed into the town, after the effective date of this ordinance shall be considered zoned to the AG District of this ordinance.
2. Conditional Rezoning.
  - a. Purpose and Intent: During an annexation process, the land being added to the Town of Plainfield's corporate limit needs to be conditionally assigned a zoning district. The conditional zoning is typically the AG: Agriculture district. However, the conditional zoning may also be based on the Comprehensive Plan, adjacent land uses, and any applicable development proposals. A conditional zoning map amendment is intended to become an actual map amendment once the annexation process is completed.
  - b. Project Applicability. Areas or lots shall be in the process of being annexed by the Town of Plainfield.
  - c. Eligible Applicants:
    - 1) An application for a Conditional Rezoning may be filed by the owner, their agent, or any person having a legal or equitable interest in the subject property.
    - 2) The Plan Commission or Town Council may act as an applicant and initiate a Conditional Rezoning.
  - d. Filing Requirements and Procedure: See Article 6.0: General Procedures for Zone Map Amendment.
  - e. Effective Date: A Conditional Rezoning shall not be effective until the effective date of the proposed annexation. Upon the effective date of the proposed annexation, the Conditional Rezoning shall be considered a Zone Map Amendment.
  - f. Modification: Modification to an approved Conditional Rezoning shall not be permitted. The only means to modify a Conditional Rezoning is through a new application for Conditional Rezoning.
