Questions or Comments for the Town of Plainfield	<p>I strongly oppose the potential residential development of the former Daum property South of I-70 off of SR New 267. I believe the unit density and resultant population and vehicle increase will create an untenable traffic situation for Sycamore Estates and the immediately surrounding residences, especially given the proposed roundabout at the corner of New 267 and Black Rock Road. Without sufficient egress onto New 267 from the new development, the only other access is onto CR 825 and shortcuts through individual Sycamore Estates neighborhoods. 825 already has a less than optimal traffic bottleneck at the Black Rock Road/Indiana Street stop light. Approximately 350 proposed new residences (up to 700 new vehicles) will make the already crowded traffic patterns unacceptable, if not dangerous for all in that area.</p>
