Questions or Comments for the Town of Plainfield	<p>I am an 18-year resident of Plainfield, and we have lived all of those years in Sycamore Estates. I have read the other comments opposing this development, and I agree with everything in those comments. To avoid repetition, I will not restate all of those concerns.</p> <p>To the extent your analysis about whether to vote for or against this project is based primarily upon drawings, GIS maps and various surveys, I would encourage the council members to come out to this area and look around. Walk north on CR 825 from Quaker Blvd/267. Turn left and walk into Sycamore Estates (Dogwood Ct, Black Oak, Redbud). The idea that it makes any sense to put 13 giant apartment buildings there is laughable. The proposed development may be the best way for the developer to maximize its investment. I hope the council is concerned with more than that. The vote on this project will be a chance to show whether you value the interests of the community above the interests of the developers proposing this ridiculous project.</p>
