Questions or Comments for the Town of Plainfield	<p>My husband and I are strongly opposed of the development of the Daum on Eagles Nest land. - Altura</p> <p>The comments that our neighbors have already posted, we totally agree with and could not have said any better. Each worry, each detail, each concern is 100% valid. They have perfectly stated the business reasons for this proposal to be denied. I would like to list a few personal.</p> <p>Sycamore Estate is a beautiful established neighborhood where homeowners work hard to keep it clean and safe. We feel free to enjoy our little bit of country, the reason we moved here.</p> <p>I have lived in Plainfield my entire 68 years of life. It was wonderful, small and peaceful. Not overrun with traffic, businesses and apartments/houses on every corner. There were corn fields, bean fields, wildlife.</p> <p>I understand growth and I accept growth. But the town of Plainfield is getting out of hand with homes and apartments and businesses that we already may have duplicate of and quite a few sitting empty on every inch of our land. Does something concrete have to be built on every blade of grass in our community? It appears so.</p>

Where do you expect wildlife to live and grow? Where do you think our children and grandchildren, your children will get their food and water in the future years to come when you build on every piece of land that you deem good for profit?

Please note no!
