**Subject:** Arbor Homes - Plan Commission Continuance

Eric,

Arbor Home would respectfully request a continuance from the Plan Commission on the upcoming meeting in October. We are in the process of updating the traffic study to reflect comments from the Town Staff. The study update is not complete, but we are expecting it to be done soon. Once it has been we will need to update the ROW, site plan, and landscape plan accordingly which may take longer than we have before the next meeting. We would like for Town Staff to still have time to review and comment before submitting to the Plan Commission.

We also met with neighbors on 24<sup>th</sup> at the Plainfield Fire Territory building. The meeting was well attended and a lot of quality questions were asked. We would like to address those concerns, as best we are able, in the PUD language and the site plan as well. We did however notified those in attendance that we would be requesting the continuance from the Plan Commission. We have emails of everyone that attended to keep them abreast of any changes as they come.

Please let me know if there are any questions. Thank you for your time and the Plan Commission's consideration.

Cheers,

*Paul Munoz*
