Hey Eric, as with my previous email. Could not get the public comment feature to work in multiple browsers for me on the Trescott (R4 portion) section. Here's what I had written. – Jason Stanke, Plainfield resident

Excited to see this subdivision going in! Drees makes fantastic homes! Just visit the Overlook community to see the pride in ownership and home designs. This community not only will build part of the new and much needed east/west connector Hackamore per the towns adopted transportation plan, but allow many perspective families to settle in the great town of Plainfield with our excellent schools, retail corridor, low taxes and modern workforce. The new round about entrance should ease traffic entries and departures from Glen haven and the new community. And based on the towns housing survey, this community fits within that plan nicely while making great use of the empty land. Let's get out the shovels and start a happy and healthy new community!

Hey Eric, hope your week starts off well. Could not get the public comment feature to work in multiple browsers for me so just dropping you a favorable recommendation for the Trescott (R3 portion) section. Here's what I had written. – Jason Stanke, Plainfield resident
