Unless otherwise noted: the State of Indiana Board of Health guide for estimating wastewater flows (Bulletin S.E. 13) will be used for (but not limited) to the type of establishments noted in the guides chart.

#### **Submittal Procedure**

All construction plans and documents shall be submitted through iWorQ, the Town of Plainfield's permit management system. The building permit application and plan submittals for a building permit must be made by the General Contractor, an Agent representing the contractor or the Person responsible for the construction.

- 1) Use the link at the bottom of the page to access the town's [iWorQ portal](#).
  - a. Create an account or login.
- 2) Complete the application. Upload all construction plans and documents outlined above.
  - a. Submittals must be a clear and understandable set of digital detailed plans and specifications drawn to scale which indicate in a precise manner the nature and location of all work to be accomplished. Incomplete submittals will not be accepted.
- 3) Once the application, with the construction plans and documents, is accepted we will begin the review process.
  - a. Review time is based upon current workload.
- 4) When released for construction, you will be notified that the permit is awaiting payment.
  - a. Permit and Utility Fees are due prior to permit issuance.
  - b. Permits may be paid online using the inspection portal.  
<https://portal.iworq.net/PLAINFIELD/permits/600>
- 5) Once all payments have been received, you will be required to print the permit placard that must be posted on the site until a Certificate of Occupancy has been issued.
