

VIP LUNCH ADD ON

This year at Wine Machine we are offering an extra exclusive VIP experience!

Penny's Hill fine dining restaurant, The Kitchen Door, is offering a small group of lucky VIP's a 4 course lunch with matched wines! The lunch will run from 12-2pm, before you will be escorted through an express entrance into Wine Machine. Start the day off the best way possible and grab a VIP lunch pass before it's too late!

This is of course on top of all the benefits of the standard VIP ticket (dedicated VIP express entrance, VIP area with exclusive bar and prime stage viewing, VIP luxury toilets)
