CUNZIO-PRINCIPAL Columbus Elementary School values the unique abilities and talents of each child. We strive to strengthen self-esteem, increase creativity and individuality, and develop a healthy lifestyle. In collaboration with parents and the community, staff sets high expectations for all students as a standard and provides a safe, caring environment where our students have the opportunity to become productive, knowledgeable and responsible citizens. MEET MR. MORSE!Mr. Joseph Morse is not only our high school principal, he is also the Director of Operations (AD) for our school. He has a lot of experience in sports because he played them in high school and during his final year in Arizona, he was a head coach of university baseball and an assistant football coach. He is happy to return to Columbus because he wants to bring back the community where he grew up. As our director and AD, he will be able to bring back through academics and extracurricular activities. CMS Mission Statement is to equip students with the skills to develop their talents to become productive, responsible citizens. The CMS website is updated by CMS staff. If you have ideas or or Please contact us! Email us! The District is committed to making its website accessible to students, parents and members of the disability community. All pages on the county's website will comply with W3C WAI's 2.0 Web Content Availability (WCAG) guidelines, AA level compliance, or updated equivalents. Under the district's administrative procedures, students, parents, and members of the public can file a complaint in violation of the Americans with Disabilities Act (ADA), Section 504, regarding the availability of any official county web presence that is developed, maintained or offered through district or third-party vendors and open sources. 3 months ago CPS Families: We were made aware that some may receive duplicate messages from the district and/or school buildings. We are working to resolve this issue. Please don't switch off as we work on a fix as this basic communication method is used. Learn more about how to participate At home for rent and sale near this school This school is rated approximately on average by the quality of the school compared to other schools in Montana. Students here are doing about the average year-to-year academic improvement,... More this school has about the secondary results in how well it serves disadvantaged students, and students perform about the average on state tests. Students at this school make average academic progress from one class to another compared to students at other schools in the state. Parental tip test scores at this school are about the same as the state average, though still below the most effective schools in the state. Because test scores in some states are so low, many students in this school cannot perform at the class level. Parental Advice Notice Something Missing or Confusing? Equality of disadvantaged students in this school perform about the same as other students in the state, but this school may still have reaching gaps. Parent Review Student Results on The Percentage low-income and under-minority students All other students at ENVIRONMENT Mount Vernon City School District will be well represented in the nationwide web coanar at 5 p.m. today, Thursday, October 29th! Dr. Kenneth R. Hamilton, School Superintendent, and Dr. Jeff Gorman, Deputy Superintendent of Schools, will train other school district leaders and teachers by showing them positive changes in Mount Vernon schools.
