

Lesson 02

My Family

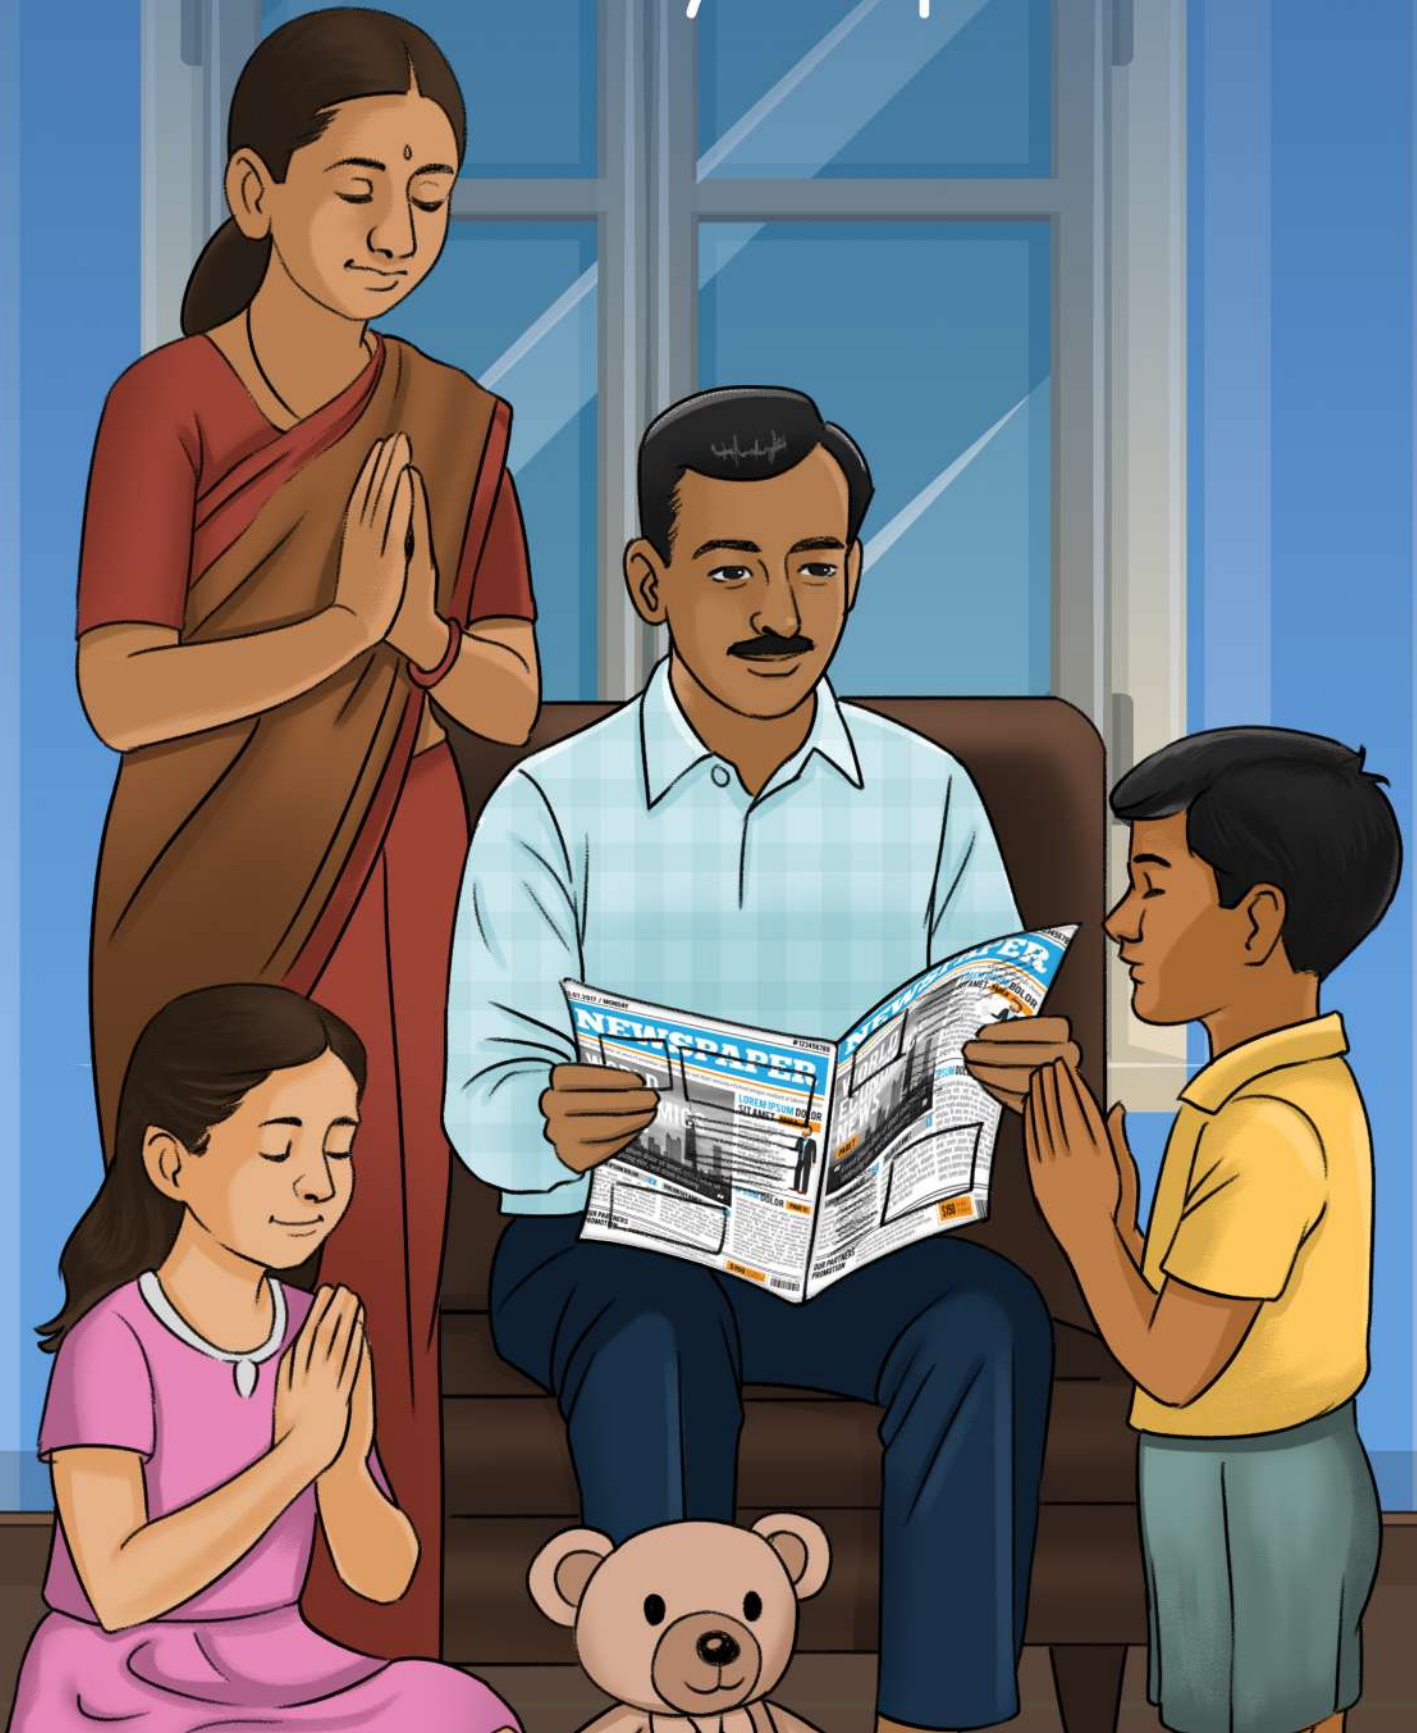

Meet my father
and mother.

I say "Jai Jinendra"
to my parents,

brothers, and sisters
everyday in the morning
to show my respect.

We say our prayers to
Bhagwan Mahavir.

Whenever we can we go to
the temple or upashray/
sthanak.

We like to pray everyday
and as many times in a day
as we can.

My parents teach
me Jain religion.

There are so many things
that we do together.

We are kind to all living beings- like animals, birds and plants.

We never ever hurt them.
We do not hurt or kill them.

We are Jains so we eat
only vegetarian food.

My parents buy only
vegetarian food.

We do not use animal products in our food, clothes or in anything else.

When we go to the temple
we put money inside the
box over there.

We recite Navkar Mantra
everyday before going
to bed.

We do not eat animal meat,
fish (seafood), chicken
(poultry),

chicken (poultry), eggs or
anything that hurts or
kills animals.

My parents give money,
clothes and food to the
people who are poor.
