

# The Hidden Fire

One day there was huge fire in the middle of the road. To put off the fire someone poured a lot of ash on it. It looked as if the fire was put off but it was still hot underneath. A man who did not know about fire walked by and stepped on the ash thinking that it was cold. His feet got burnt and he was in pain.

Same way we have a fire of jealousy hiding in all of us. No one can see it but it can destroy us and other people.

We must not be jealous.
