

Achariya  
Vijayanand suri

Once, there were two sadhus who studied under the same Acharya. They were Vrudh Chandji and Vijayanandji Suri.

After some time, Vijayanandji Suri became an Acharya and reached the city of Bhavnagar.

Sadhu Vrudh Chandji was also in the city. When the two of them met, Vijayanandji Suri bent down and greeted Sadhu Vrudh Chandji, but he said,

Please, do not bow to me.  
You are an acharya now. I am  
just a Sadhu.

Achariya Vijayanandji Suri answered,

I am not your Acharya because we were students of the same Acharya. I greet you for your purity and goodness.

We must be  
humble no matter  
our position.
