

Speak
Nicely

Ravi and Renu were playing in the green fields, laughing and jumping. Then, suddenly Renu fell. How loudly she yelled!

Ravi jumped, teased her so, and laughed ho, ho, ho! He called her many silly names, and that was the end of their games.

Renu never spoke to him again, not even now, nor then! Ravi missed her very badly, and wished he had spoken to her sweetly! So, he went back and said sorry.

Renu and Ravi are friends today, and speak sweetly to everyone, every day!
